

Khalsa Kindergarten, a distinct educational entity, officially began functioning on 10-2-1992. It had a humble beginning with a small enrolment. In a short span of few years, it has emerged as a popular kindergarten because of its high quality of instruction, all round education as well as a team of well-trained highly competent and dedicated teachers.

### **STATUS OF THE KINDERGARTEN**

Khalsa Kindergarten is approved and registered by ECDA (Early Childhood Development Agency) for Pre-School Education.

### **OBJECTIVES OF THE KINDERGARTEN**

To provide pre-primary education in English to children who are below the age of 6 and to prepare them for admission to Government Primary schools at Primary Level.

To provide a holistic development by nurturing the children in our care with love and care.

### **GOAL OF OUR KINDERGARTEN**

Khalsa Kindergarten offers an extensive range of pre-school program. At Khalsa Kindergarten we aim to enhance your child's development through a varied educational programme. We constantly review and revise our program to suit the needs of our children.

### **MANAGEMENT**

Khalsa Kindergarten is managed by an Education Committee whose members are registered with the Ministry of Education. Committee members are experienced and respected educationists or people with relevant experience.

### **PRINCIPAL**

The kindergarten's principal is Mdm. Santi Devi, a dedicated and well qualified educationist under whose stewardship the kindergarten has attained the reputable standing that it enjoys today.

### **TEACHING STAFF**

All the teachers in our kindergarten are well qualified and have undergone training recommended by the Ministry of Education. Great care is taken to select teachers who are not only excellent at teaching but who will best help your child to attain his/her highest potential.
